Selectmen.

Containing J. Inventories, Counterparts of Lists for Taxes, &c.  
And Town Aect<sup>n</sup> Districts for highways &c. except for the  
year 1792. — — — — —

State of New Hampshire  
Rockingham Co

To Joshua Pickering Esq  
Comptroller and collector of  
Taxes for the Town or Parish of  
Wilmington this current year.

1792

Greeting.

In the Name of the State of New Hampshire.

You are hereby required seasonably to collect of the  
several persons mentioned in the preceding list  
or Rate Roll, the several and respective sums assessed  
to their Names in the Three columns of Taxes (vizt...  
The County, Town & Minister's Taxes) in specie and full  
Money of said State. And you are hereby further  
required to pay into the Treasury of said County  
of Rockingham. The sum of eight pounds, eight  
shillings ~~and~~ like money of the Tax in your  
said List entitled "County Tax" - at the following times  
Vizt. The one half thereof, on or before the first day  
of September next - and the remainder, on or before  
the first day of January next (it being Wilmington's  
proportion of the County Tax for S. Year 1792)  
And the residue or remainder to balance the  
said County List, or Rate Roll, and the full  
amount & sum Total of the other two Taxes in  
the two last Columns of Taxes. Substant  
to the Titles "Town Tax - Minister's Tax"

— Being —

15

Being and meaning the whole of the foregoing Taxes...  
except the eight pounds eight shillings aforesaid...  
on, or before the first Tuesday of January next ensuing  
you are to pay to the Selectmen of Wilmington aforesaid  
for the time being or their Successors in said Office.  
And if any Person, or Persons refuse, or neglect to  
pay his Her- or Their Tax, or Taxes - being by you  
thereby Legally required - Then you are to take them  
under Distraint - as the Laws of this State direct  
for the purpose of collecting Rates and Taxes, made  
and provided - Which Laws you are to observe  
for the direction of your Proceedings relative Hereto.

Whereof Fail not - and for  
your doing all which this shall be your sufficient  
Warrant.

Given Under our Hands and  
Stamps at Wilmington this 27<sup>th</sup> day of July

D 1792

## SELECTMEN'S LETTER

Construction was started on two plants this year which, when completed, will greatly increase our taxable inventory. The new Public Service Company generating station on Gosling Road will be in operation in 1974 and the P. F. Avery Company plant being built on the former Heavner property is scheduled for completion this fall.

Beginning with a conference with Senator Thomas McIntyre last spring, we have had many meetings with Air Force representatives in an effort to obtain an easement through Pease Air Force Base so that we can construct a road connecting the north and south sections of town which have been separated ever since the air base was built.

Dealing with a Federal Government agency such as the Air Force can be agonizingly slow and an exercise in frustration. However, we have reached the point where there is no serious objection to the easement by the Air Force and the principal job remaining is to route the road so that it will not interfere with the present or future mission of the base.

Over the years the town has attempted on several occasions to get permission for a connecting road with no success and without being able to generate much sympathy for our problem. The greatly improved spirit of cooperation shown recently by the Air Force can only be attributed to the continued efforts of Senator McIntyre and his staff and to the frequent editorial comment of the Portsmouth Herald which have served to remind the government that the reunion of the town is long overdue. We have high hopes that the road can be built sometime this year.

We were unable to complete the library addition this year because the bids received were all too high by more than \$10,000. However, by modifying the plans and

specifications we feel that we can construct the addition for the amount of money appropriated last year plus an additional \$3,000 which is provided for in the budget.

The reproductions inside the front cover and on the rear foldout are taken from the Selectmen's Journal of 1792 to 1803. We thought you would be interested in seeing this sample from one of the first town reports which we plan to have on display in the Civic Center at a future date.

Respectfully submitted,

EDITH E. KNOX  
Town Clerk

## **ACTION TAKEN ON WARRANT ARTICLES TOWN MEETING, MARCH 10-11, 1970**

Article 1. Election of Town Officials.

Article 2. Voted to leave care and maintenance of town lands and buildings to discretion of selectmen.

Article 3. Voted to authorize selectmen to administer or dispose of any real estate acquired or to be acquired by the town through tax collector's deeds.

Article 4. Voted to authorize the selectmen to hire money on the credit of the town in anticipation of taxes at a rate not to exceed the current bank rate.

Article 5. Authorized treasurer, with approval of selectmen, to appoint a deputy treasurer.

Article 6. Voted to exclude from OASI Social Security Agreement services of election workers.

Article 7. Voted to establish a town Conservation Commission and appropriate \$1,000 which sum or part thereof may be placed in a conservation fund and allowed to accumulate from year to year or be expended by the commission for conservation purposes.

Article 8. Voted to authorize the selectmen to appoint a Highway Safety Committee.

Article 9. Amendment to budget — voted that money appropriated for aluminum sash for Meeting House be used instead for wooden sash replacement. Budget then approved.

Article 10. Town Clerk report on election of town officers.

Treasurer

## NEWINGTON HIGHWAY DEPARTMENT

This year the Highway Department, in conjunction with the State Engineers and the Selectmen, is planning to make a study of the roads in the Industrial Area of our town. We will then be able to formulate a projected plan for improvement of these roads.

We are in hopes that the budget this year will allow us to Dix-Mix two miles of road, rather than the one mile originally planned for, which would complete Little Bay Road.

Respectfully submitted,

DONALD E. BEALS  
Highway Agent

## HIGHWAY SAFETY COMMITTEE

The Committee was appointed shortly after Town Meeting, 1970 and met several times during the year.

Some recommendations of the committee have been adopted and others will be acted on during the coming year. Of utmost importance to the safety of the townspeople has been the increased police patrols which were started last summer, as well as the blocking of several abandoned roads and lanes to reduce the number of unauthorized people frequenting these areas.

Plans are underway to provide new street signs and to stripe all roads next summer. The committee will continue to identify and correct highway and other hazards for the continued safety of all.

PAUL L. deROCHEMONT  
*Committee Member*

## PLANNING BOARD REPORT

During the past year the Planning Board met each month at either a regular or work meeting, and in some cases more often. In addition, several public hearings were on the agenda and the attendance at and participation in, these meetings by so many interested townspeople is acknowledged with appreciation.

This year has seen several new additions to our Industrial Zone; namely, C-E Avery Co., Public Service Co., and the First National Bank of Portsmouth.

Also, by your vote, two parcels of land were transferred from the Industrial Zone to the Business and Commercial Zone.

Work is continuing on updating of the Comprehensive Plan for the Town and review and possible recommendations for changes to the zoning and to the sub-division regulations.

Your continued interest is invited, so that your Board may continue to act as representative of the Town's desires. Everyone is reminded that *all* meetings of the Board are open and your participation welcome .

Respectfully submitted,

F. H. SMITH, JR., *Chairman*  
Newington Planning Board

We, the undersigned, Auditors of the Town of Newington, N.H. have examined the following accounts and certify that we find them correctly cast and properly vouch-er: Selectmen, Town Clerk, Treasurer, Tax Collector and Trustees of Trust Funds.

Respectfully submitted ,

PATRICIA A. COLEMAN  
NORMAN W. MYERS

## LANGDON PUBLIC LIBRARY REPORT

### *Langdon Library Hours:*

Monday & Saturday — 9 to 12 & 1 to 6 p.m.;

Saturday — 1 to 6 p.m.

### *Summer Hours (new schedule):*

Monday & Saturday — 1 to 5 p.m.

Wednesday — 1 to 5 p.m. & 6 to 9 p.m.

### *South Newington Branch Hours:*

Wednesday & Saturday — 2 to 5 p.m.

---

In giving our citizens this annual report on library activities in our 78th year, it is with sorrow that we record the death of two members of our board of trustees:

On *July 22, 1970* — Trustee Treasurer *Mrs. Margaret Pickering*, who served the best interests of Langdon Library so faithfully and ably for many years as its trustee and treasurer, giving freely of herself, her time and her talents.

On *January 2, 1971* — Trustee *Mrs. Jane C. Gemler*, who served faithfully and well during the short period of time allotted her since her election to office in March, 1970. Always willing to do all she could and to give ideas for future planning.

---

The trustees hope you will make note of the changes in Library Hours. You will notice that we have extended Winter hours to 6 p.m. (instead of the present 5 p.m. closing) on Monday, Wednesday and Saturday.

There is more of a change in the 12 weeks Summer hours schedule, as we have also added Monday — 1 to 5 p.m. (not a library day previously during the summer). Due to many requests we have also added an opening *Evening Hours* on *Wednesday* from 6 to 9 p.m. (*June 14 to Sept. 8*).

The trustees are grateful for the notes and petition received in answer to their appeal to the townspeople for

their ideas and wishes regarding Library hours for 1971. We welcomed their interest and thank them for it. We hope the Students will find that extra hour to 6 p.m. helpful to them, and that it will prove a convenience to others for a quick visit after work or on the way home from work. We will be watching with interest to see how well these hours work out.

As the townspeople have seen, our plans for building Phase 1 of the Library Addition during 1970 were not fulfilled. To our disappointment it took much longer for blueprints to reach Town Office than we expected, and to our dismay when the bids were opened they were all at least \$10,000 over the Town-approved money for Library Construction.

Members of the old building committee met with Architect Mr. T. Eagle to discuss the blueprints. Nothing could be eliminated, so the additional funds would have to be requested at the Budget Committee Meeting and then for approval by townspeople at the Town Meeting. Plan remains the same as in last year's Annual Report.

The Children's room experienced problems from ice on roof and water leakage after our heavy snowfall.

This year saw the completion of our much-needed cataloging by our librarian, Mrs. Marjorie Pickering.

The many and varied library and branch services were again used by all ages from preschool to adult. Grade and High School students made good use of our librarians' willingness and ability to help them when seeking reference materials for school work from our large selection of books and magazines. The trustees appreciate the excellent and efficient work of Librarian Mrs. Marjorie Pickering and her Asst. Librarian Mrs. Margherita Mazeau and we commend them for another year of close cooperation.

Our librarian has tried to give our patrons the desired reading material in books purchased for the library; books

borrowed from the Bookmobile and individually borrowed books from the State Library.

There was a good, well-rounded selection of records for our patrons; a fine film program; many new books — reference, nonfiction and fiction; a good variety of periodicals; and those greatly appreciated Bookmobile books.

For Children's Book Week, Nov. 15-21, Trustee Mrs. Barbara Myers placed on display in library a very interesting collection of her dolls, representing characters in children's books. A gift of bookmarks was received for the children explaining care of books and outline of Dewey Decimal System.

This year's Memory book for Mrs. Florence C. Watson from her Memory Book Fund is "Pictorial History of the Smithsonian Institution" by Robert B. Widder.

Memory book for Mrs. Margaret Pickering is "Eastern Frontier: Settlement of Northern New England" by Charles Clark from Tom & Frances Heavner. Memory book for Mrs. Jane C. Gemler from the City College Club of Portsmouth is still to be selected.

Our thanks to the generous donors of many gift books, paperbacks, papers, magazines and records: Doris Beane, Dorothy Brooks, Maisee Burpee, the City College Club of Portsmouth, N.H., O. Elliot, Lydia Frink, Sydney Frink, Nellie Garland, Tom Heavner, Mr. & Mrs. R. Henley, Ann Hislop, Dorothy Josselyn, Lena Kaddy, Granville Knox, Clarence Mezo, Barbara Myers, Stanley Newcombe, George Newick, Frank Sargent, Fred Spinney, Sarah Thames, Gayna Thomas and Gretchen Volz.

This year 369 books were accessioned and 1,674 borrowed from Bookmobile.

*Circulation:*

Books: Juvenile 1,908; Adult 2,688; Individual borrowers from the State Library 98.

Periodicals & Newspapers 2,010; Records 238; Films 32.  
Total 6,974.

Our sincere thanks to all who extended helping hands throughout the year. We thank Mr. Warren Witham for his work in again taking good care of our flower urn and its plantings and Mr. Tom Heavner for all his help and transportation.

There are still copies of "Newington Families" available at library, \$3.00.

Visit your Library often in 1971 — make selections or just browse.

Respectfully submitted,

FRANCES E. HEAVNER

BARBARA M. MYERS

## OLD PARSONAGE

The Newington Historical Society has moved ahead this year into a seven month schedule with meetings held in October, November, March, April, May as well as keeping the Old Parsonage open to visitors on Saturday afternoons during July and August. It has been found that there is considerable interest in the Parsonage among people living out of town; and even with very limited publicity last summer, there were visitors every day the building was opened. Several groups also visited the house by appointment with the president of the Historical Society. The Society plans to keep the place open again this summer, to provide a brochure for visitors telling the history of the building, and to hang a sign to identify it.

The collection within the Parsonage continues to grow with about thirty items having been added since the annual report one year ago. Some of these are on loan, but the majority are part of the permanent collection. A significant gift was a set of furniture from Mrs. Ira Coleman. This has been very effective in developing a period look to the parlor. In the dining room is an unusual child's chair loaned by Mr. and Mrs. Harold Frink.

Other contributions and loans which have added great interest to the museum room upstairs have been made by Margaret Pickering, Analesa McLeod, Ernest Kaddy, Marjorie Pickering, Barbara Myers, Billee Hoornbeek, Edith Knox and Mrs. Emerson Trefethern.

The "Children's Corner" and the "What-Is-It?" cabinet in the museum room have been very popular, and the Society is anxious to add to both Collections.

Respectfully submitted,

BARBARA MYERS, *President*  
Newington Historical Society

## POLICE DEPARTMENT REPORT

It is again that I submit my report for the past year, and 1970 certainly was an extremely busy year. We experienced a strike at Simplex Wire & Cable that demanded a great amount of time and effort on the part of our police officers. A request for state police to stand by if their assistance was needed was put through to Concord and I wish to take this opportunity to thank the state police also for their help at numerous accidents and investigative work which I called upon them for. I also want to thank Lois and Tom Roy for their help in answering the police phone on many occasions, although they are no longer able to do this and have asked to have the police phone removed from their house in South Newington.

Thanks go also to the special officers who assisted on many occasions beyond and above the call of duty, especially the special patrols that were requested by the Selectmen and by me for strike duty at Simplex and Avery Corp. Plants. A word of commendation goes also to the Newington Volunteer Fire Dept. for its efficient response to the many ambulance calls. The cooperation of these people enables your police department to carry out its duties and obligations successfully and eases its burdens.

Respectfully submitted,

JOSEPH C. NAVELSKI  
*Police Chief*

### Police Activities — 1970

Complaints	128
Calls received	741
Outgoing Calls	281
Accidents	39
Malicious Property Damage	5

Breaks	3
Thefts	15
Stolen Vehicles	3
Doors found open	45
Lights out reported	62
Arrests	5

## **CIVIL DEFENSE DEPARTMENT**

During the year 1970 this department maintained a status quo position — that is, we were not called on to perform any emergency duties, for which we are heartily grateful. I'd like to report that all formal routine matters have been taken care of, including the filing of state and federal forms and keeping the local organization in a state of readiness to respond to any emergency calls.

We have added supplies to our emergency cupboard so that our welfare committee is prepared to feed and house any of our people who might require this aid.

I again wish to take this opportunity to thank all those who have worked with me on this civil defense program.

Respectfully submitted,

**WILLIAM J. YOUNG**  
Civil Defense Director

# TOWN WARRANT

---

---

**TOWN WARRANT**  
**STATE OF NEW HAMPSHIRE**

To the Inhabitants of the Town of Newington in the County of Rockingham and Said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Newington Civic Center in said Town on Tuesday the Ninth Day of March next, 1971, to act upon Articles 1 and 2.

The Polls will open at Ten O'Clock A.M. and unless extended by vote at the meeting will close at Six O'Clock P.M. The Town Meeting will resume at 7:30 P.M. to act upon ensuing articles.

Article 1. To choose in the manner provided by law: 1 selectman for a term of 3 years; 1 trustee of trust funds for a term of 3 years; 3 library trustees for terms of 1 year, two years and three years respectively; 1 member of cemetery committee for 3 years; a town clerk, collector of taxes, town treasurer, highway agent, auditors, chief of police, building inspector; to choose measurers of wood, surveyors of lumber, fence viewers, pound keeper and any other officials required by law to be chosen by vote.

Article 2. To see if the town will vote to adopt the changes to the Zoning Ordinance as proposed by the Planning Board.

Article 3. To see if the Town will vote to leave the care and maintenance of town lands and buildings to the discretion of the selectmen.

Article 4. To see if the town will vote to authorize the selectmen to administer or dispose of any real estate acquired or to be acquired by the town through tax collector's deeds.

Article 5. To see if the town will vote to authorize the selectmen to hire money on the credit of the town in anticipation of taxes at a rate not to exceed the current bank rate.

Article 6. To see if the town will appropriate the sum of \$500 as provided in the budget to extend the services of the Portsmouth District Nursing Association to the Town of Newington.

Article 7. To see if the Town will authorize the selectmen to appoint a special unpaid committee to be known as the Regional Refuse Disposal Planning Committee, such committee to meet with representatives of the City of Portsmouth and other

nearby towns to study the advisability of establishing a Regional Refuse Disposal District and perform such further duties as may be authorized by statute.

Article 8. To see if the town will appropriate a sum not to exceed \$1000 as provided in the budget for the expenses of the Regional Refuse Disposal Planning Committee.

Article 9. (By recommendation of Highway Safety Committee). To see if the Town will vote to rescind the action taken at the March 1951 Annual Town Meeting providing for the election of the Chief of Police by ballot with the other town officials, and return to the prior method of selecting the Chief of Police through appointment by the Board of Selectmen as provided by Revised Statutes Annotated, Chapter 105, Section 1.

Article 10. To hear the report of the budget committee and to see what sum of money the town will vote to raise and appropriate for all town expenditures in the year ensuing as included in the budget.

Article 11. To hear the report of the town clerk on the election of town officers.

Article 12. To transact such other business as may legally come before the meeting.

Given under our hands and  
seal this 19th Day of February  
in the Year of Our Lord  
One Thousand Nine Hundred  
and Seventy-One.

s/ Paul L. deRochemont, *Chairman*

s/ Sydney H. Frink

s/ Paul Kent

*Board of Selectmen*

We hereby certify that on this 19th Day of February, 1971, we posted a true and attested copy of the within warrant at the place of meeting within specified and a like copy at the Meeting House, a public place in the Town, and delivered the original to the Town Clerk.

A true Copy of Warrant, ATTEST:  
Paul L. deRochemont, *Chairman*

## **ANNUAL REPORT OF THE NEWINGTON CONSERVATION COMMISSION**

During the past year representatives of the Conservation Commission and Planning Board attended the Annual Congress of New England Conservation Commissions at Bedford, New Hampshire. During the two-day Congress, it was noted that border towns of Rockingham County have undergone more rapid population growth, with resultant new housing developments, than any other county in the northeastern states. In the affected areas there has been an increasing degree of land transfers by large land owners to Conservation Easements. This trend has been brought about by political re-alignments in the border town governments when new-comers have caused higher property reassessments, which have brought financial hardships on long-time and elderly owners of farm and forest lands who have been unable to meet sudden increases in property tax burdens. The Conservation Easement transfers ownership to the town Conservation Commission in perpetuity for conservation, wild life propagation and local recreational purposes. It removes the land from the property tax rolls and keeps it from being forced on the real estate market.

As a result of these and other pressures, conservation and environmental commissions have sprung to life throughout the state. There are now 110 city and town Conservation Commissions. A state-wide association of such commissions was formed at the Bedford Congress and your representatives recommended that Newington join the organization to facilitate the exchange of information concerning the multiplicity of federal, state and regional programs and legislation that may affect our town and its environment.

There is a growing trend and awareness throughout the New England states of the need for close liaison between Conservation Commissions, Recreation Committees and Planning Boards for frequent exchange of information and cooperative effort where matters of soil, water and

air pollution, population density and other matters concerning the ecology and environment are concerned.

The request for funds in the Conservation Commission budget this year covers membership in the state association, attendance at regional meetings and for continuing the cumulative trust fund for future land, marsh land and possible island purchases for open space conservation, recreation, and fish and wild life propagation. Such lands, once acquired by the town Conservation Commission within the provisions of RSA 36-A, Section 5, would be held in perpetuity so that future generations may enjoy the natural environment benefits that have been ours. Matching federal funds, administered by the State Department of Resources and Economic Development, the Federal Department of Housing and Urban Development and Bureau of Outdoor Recreation, are available for such land purchases providing the town is willing to share such recreational developments with the general public. The town may also decide to do the entire funding and to retain such lands for purely resident use. The Commission is also authorized to accept gifts of funds and lands from private donors.

In other action the Conservation Commission has recommended to the town Planning Board deletion of that section of the present zoning law which allows the establishment of residential mobile home trailer parks within the commercial zone and that no further residential trailer mobile homes be allowed within the areas zoned for farm and residential use.

During the coming year the Conservation Commission will attempt to interest other area commissions in the formation of a Piscataqua Basin Watershed Association. There are about 10 such regional associations formed around the Connecticut and Merrimack River drainage basins and most of the larger inland lakes. The Piscataqua River, Little and Great Bay basins and their several tributary rivers and streams comprise one of the largest such basins in the state, with many unique tidal and estuarine features and many related problems.

John F. Rowe  
*Chairman*

## BUILDING INSPECTOR

Please find below permits issued for the year ending December 31, 1970. My thanks to all for their cooperation in meeting the building requirements of the town.

<i>Permit No.</i>	<i>Owner &amp; Type of Construction</i>	<i>Estimated Value</i>	<i>Date Issued</i>

	remodeling	800.00	12/16/70
85	Combustion Engineering		
	to be issued in 1971		
86	Flagstones Restaurant		
	new cocktail lounge	10,000.00	12/16/70

Respectfully submitted,

STILLMAN A. PACKARD

*Building Inspector*

## **REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF**

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part, caused by debris burning, children and smokers.

The elimination of these three causes of forest fires would drastically change this picture—to bring about this change we make the following suggestions:

1. When the ground is not covered with snow a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning, as well as garden trash and brush burning such burning is restricted by regulation to prior to 9:00 a.m. and after 5:00 p.m. with the following exceptions:

Commercial or industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.

2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children, keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of your child. Try to explain this to your child, won't you?

3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out, dead out. Smokey says, "Thanks for your help," and invites you to join with him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned:

STATE	484 fires	244 acres
DISTRICT	30 fires	42 acres
TOWN		

Respectfully submitted,

IVAN E. SCRANTON  
District Fire Chief

WILLIAM J. YOUNG  
Forest Fire Warden

## **DOG OFFICER REPORT**

During the year 1970 a total of 39 complaints were received concerning our dog population. Twenty-eight of these dogs were either returned to rightful owner, or new homes found for them.

We wish to thank Dr. Eames of the Animal Medical Center for his cooperation in disposing of the remaining eleven.

Please remember that all dogs three months of age or over must be licensed and vaccinated.

Respectfully submitted,

ERNEST R. KADDY  
*Dog Officer*

## VOLUNTEER FIRE DEPARTMENT

The Town of Newington has again proven itself to be a fire-conscious town by the action of its inhabitants in practicing good fire prevention tactics. Our fire losses have been kept to a minimum and for this I would like to congratulate you for a job well done.

Your fire department maintains itself in a ready position to respond to all emergency calls received and these include all types of emergencies, as well as ambulance service, rescue work in the river and bays, etc. All it takes is a call to 436-5737 to get assistance whenever needed.

During the year we have carried on training sessions in fire-fighting and first aid work and a few members of the department have attended fire-fighting training schools. Our medical officer attended a training school on care and transportation of the sick and injured which was conducted in Washington, D.C. The department responded to twenty-seven fire calls and thirty-seven ambulance calls in 1970.

I'd like to take this opportunity to thank all those who help the department operate so successfully — the town officials — the fire-fighters, themselves and the ladies auxiliary who are always ready to turn out to feed the men when they have been out on emergency calls.

Respectfully submitted,

WILLIAM J. YOUNG, *Chief*  
Newington Volunteer Fire Dept.

To All Who Shall See These Presents, Greeting:

Know Ye, That Reposing Special Trust and Confidence in the Integrity and Ability of William J. Young, of New Hampshire I do Appoint him A Member of the National Commission on Fire Prevention and Control and do Authorize and Empower him To Execute and Fulfill the Duties of That Office According to Law and to Have and to Hold the Said Office with all the Powers and Privileges Thereunto of right appertaining unto him the said William J. Young, During The Pleasure of the President Of the United States for the Time Being

In Testimony Whereof I have caused These Letters to be made Patent and The Seal of The United States to be Hereunto Affixed.

Done at the City of Washington This Seventeenth Day of November In the Year of Our Lord One Thousand Nine Hundred and Seventy And of the Independence of the United States of America the One Hundredth and Ninety-Fifth.

*Richard Nixon*

By the President:  
William P. Rogers, *Secretary of State*

## NEWINGTON CEMETERY COMMITTEE

The Newington Cemetery Committee held its annual meeting for 1970 at the Civic Center at 1 o'clock, Saturday, January 16, 1971.

The motion was made and seconded to accept Mr. Moulton's budget for 1971 as read and discussed.

The comprehensive mapping project for the Eastern Division of the cemetery has now been completed. It has taken a great deal of time and persistent effort on Mr. Moulton's part to research and organize the data necessary for this project. The documenting of this information into permanent records is of inestimable value to the Town, now, and for future reference.

To date, everything has been finished in the Western Division except the names, addresses and lot numbers. The Committee recommended that Mr. Moulton continue to follow through with the Western Division in order to keep the records current.

Mention was made of the increase in the number of requests for lots from non-residents of Newington. Several of these were discussed to clarify the action necessary. Other problems pertinent to the operation of the cemetery were presented and resolved.

Respectfully submitted,

DOROTHY M. WATSON  
Secretary

## RECREATION COMMITTEE REPORT

During the second year of the Newington Recreation Committee we hired a part-time recreational director, Gary Martin. With his help we instituted several physical fitness programs held at the school gym.

In early January, Monday and Wednesday evenings were open to adults for various exercises and games of volleyball and basketball; Tuesdays being for boys, junior high through senior high for basketball. These evenings have been very successful and those participating have had a great time.

Not so successful was a game night held at the town hall on Thursday or Friday evenings for adults. This involved various card games, checkers, chess, pool, ping-pong, etc. In contrast, this same type of evening was held for the teens on Saturday nights and has been much more successful.

The committee sponsored swimming lessons in South Newington, purchased a charter for a snowmobile club, had the skating rink banked and helped contribute refreshments and decorations to the Halloween Party. It also purchased a variety of equipment for its programs.

In the near future we hope the townspeople will share our interest in establishing a tennis court and regrading of Sam Rowe's Hill for a sliding, skiing and toboggan run.

Other programs being considered are a hobby shop, archery, boating and horse clubs and the planning of a variety of good trails for the townspeople to use for hiking, riding, snowmobile, etc.

Any and all ideas and suggestions will be welcome.

Respectfully submitted,

NANCY JONES  
Committee Member

## Newington Recreation Committee

<i>Name</i>	<i>Term Ends</i>

Robert S. Lamson	1973
Vincent Frank, <i>Chairman</i>	1973
David Watson	1973

## TOWN HISTORY COMMITTEE REPORT 1970

In this, the first report of the Town History Committee, we wish to record the steps taken to date in obtaining information about Newington. The committee has reviewed the known sources of information and has developed a plan for sifting through these old records and coordinating the information.

Mr. George Newick, of our committee, has for some time been working on a geographical map of Newington, and has a good start on locating the ancient landmarks. The committee feels that Mr. Newick might make maps showing the changes of roads, boundaries, and important buildings for approximately the periods of 1750, 1850, 1950, and one of the 1970's which would indicate the great change brought about by the construction of Pease Air Force Base. We have on hand information of the 1700's, a map circa 1851 another map circa 1885. Any other old maps of the town would be useful to this project.

The Newington Historical Society will provide information on all of the homes in town and turn over all of the records so obtained to the History Committee. Both the Historical Society and this Committee are requesting the cooperation of townspeople in this project.

Presently the History Committee is working on notes of the town compiled by the late Frederick Pickering and now in the possession of the Alfred Pickering family. The Committee is also gathering information on the early garisons, taverns, churches, schools and roads. Any old diaries, letters, papers or notes now in private hands would be of great value to the committee and greatly appreciated by them. All such material can be reviewed in your own home if so desired, or if loaned will be carefully handled and returned promptly.

Respectfully submitted,

PEGGY LAMSON

Secretary

Town History Committee: Barbara Myers, Peggy Lamson, George Newick, Marjorie Pickering, Lydia Frink, Susan Caswell, Christine Beals, Dorothy Watson.

## NEWINGTON SCHOOL DISTRICT SCHOOL WARRANT

### The State of New Hampshire

To the inhabitants of the School District in the Town of Newington qualified to vote in district affairs:

You are hereby notified to meet at the Civic Center in said district on the 9th day of March, 1971 from 10:00 a.m. to 6:00 p.m. to act upon the following subjects:

1. To elect a Moderator for the coming year.
2. To elect a Clerk for the ensuing year.
3. To elect a Member of the School Board for the ensuing three years.
4. To elect a Treasurer for the ensuing year.

Given under our hands at said Newington this 9th day of February, 1971

Grace Smith *Chairman*  
Robert Scarponi  
Dale K. Carswell

A true copy of warrant, attest:

Grace Smith, *Chairman*  
Robert Scarponi  
Dale K. Carswell

## NEWINGTON SCHOOL WARRANT

To the inhabitants of the School District in the Town of Newington qualified to vote in district affairs:

You are hereby notified to meet at the Civic Center in said district on the 9th day of March, 1971, at 8:30 p.m. to act upon the following subjects:

1. To hear the report of the school district moderator of the results of the school district election.
2. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
3. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
4. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.
5. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district.
6. To see if the district will authorize the School Board to make application for and to receive in the name of the district, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States government or any department or agency thereof, or from the State of New Hampshire or any department or agency thereof.
7. To see if the district will vote to raise and appropriate two hundred and fifty-two dollars and fifty cents (\$252.50) to provide funds for the continuation of the study of the Portsmouth Authorized Regional Enrollment Area Planning Committee.

8. To see if the district will vote to amend the Portsmouth Authorized Regional Enrollment Area Agreement as follows:
  - A. Insert the words "average daily membership from the school year immediately preceding" in Article D, said number of pupils to be used as the divisor in determining the cost per pupil.
  - B. Insert the words "fiscal year immediately preceding the school year" in Article D, said wording to provide for the dollar figure to be used in determining the cost per pupil.
  - C. Insert the figure "five million, one hundred and fifty-one thousand, four hundred and thirty dollars (\$5,151,430) as the revised valuation on existing land, buildings, and equipment. (Approved by the New Hampshire State Department of Education, January 1971)
  - D. Insert the words "Tuition payments for each school year shall be made by the sending districts by December 31 and June 30, each payment in the amount of fifty percent" in place of Article H, and to make other necessary changes in wording necessary to comply with the intent expressed within this total article.
9. To transact any other business which may legally come before this meeting.

Given under our hands at said Newington this 16th Day of February, 1971.

Grace Smith, *Chairman*  
Robert Scarponi  
Dale K. Carswell

A true copy of warrant — attest:

## **NEWINGTON SCHOOL DISTRICT**

### **Report of the Superintendent of Schools**

To the school board and citizens of Newington:

The students of Newington are especially fortunate to live in a community that values the quality of education as indicated by the continued support of the board of education in its efforts to provide Newington with the best educational opportunities possible.

As in the past, our school experienced a great change in personnel. This is not a problem indicative of Newington but rather a reflection of the high degree of mobility within our society today. Mr. Michaels' experience in your school system was a stabilizing influence in this situation and provided the continuity necessary during this change of staff.

The school curriculum continues to work towards serving the individual needs of each child by providing an expanded program. This year, the art program was increased in scope to include the entire school instead of Grades 5 and 6. For this purpose, a part-time teacher was added to the staff. In an effort to use the physical plant and educational materials for the greater advantage of the students, the children were placed in multi-age groups. The intermediate room (Grades 3 and 4) became an instructional material center available to all students and teachers at any time. Work was begun on a unique program involving community resources. Its intent is to introduce the intermediate grade students to the many skills possessed by the citizens of Newington and to foster a deeper appreciation of the community and its people. At this time, the program is underway and appears to have been well received.

During the year, a concern for the present system of grading was expressed and a committee has been appointed to study the alternatives. The work of this committee will be undertaken shortly.

A major goal of the Supervisory Union was realized

this year through the planning and construction of a new central office located off Route 16 in Somersworth. This facility accommodates the administrative staff and, in the future, will house the psychological services for the Union. In addition, the speech therapist was hired by the Union replacing the contractual arrangement by each district with the Portsmouth Rehabilitation Center. The intent of such an arrangement is to centralize student services under direct control of the Supervisory Union. The Area School Concept with Portsmouth continues to be under discussion with expectations of including Grades 7-8. The second stage of our coding and updating all board policies is progressing with changes being made as they apply to each individual district.

As there is no school system that we can operate in a vacuum, we owe a great deal to many people. We acknowledge the gift of the playground equipment from the PTA; the assistance of mothers and other town officials who have contributed to our endeavors for the students in our school. To the school board, I should like to extend my personal thanks for your co-operation with me and with each other as well as with the administrator of your school in the interests of quality education for the children who are your first charge.

Respectfully submitted,

JOHN H. POWERS,  
*Superintendent of Schools*

## ANNUAL REPORT OF THE SCHOOL NURSE

To the Superintendent, School Board and Citizens of Newington;

It is again my pleasure to submit the following report of the school health program from September, 1969 to June, 1970.

Number of pupils tested (including rechecks)

Vision Tests	69
Hearing Tests	68
Height and Weight (3 times a year)	202
Home visits or phone calls	15
Known communicable diseases	none

The first grade pupils again had the Tuberculin skin tests by the New Hampshire Tuberculosis and Health Association. It is to be remembered that this is a service that is given as a result of the sale of T B Christmas Seals.

The dental clinic held at the school was a real success with over 50% of the pupils having their teeth cleaned and flourde applied. This was a substantial increase over past years.

A Rubella clinic (German measles) was held at the school and all but three eligible children had the vaccine. This was sponsored by the P.T.A. and members assisted. New Hampshire is one of the leading states in the country in the percentage of school children inoculated against this disease.

My thanks to our Superintendent, School Board, Principal, teachers, P. T. A. members and parents for their assistance and cooperation.

Respectfully submitted,

EDITH E. KNOX, R.N.  
School Nurse
